OBJECTIVE: To obtain a GIS Specialist position where I can leverage my expertise in Geographic Information Science and Technology to deliver data-driven solutions, analyze spatial information, and support innovative geospatial projects.

EXPERIENCE:

07/25-Present *Champion's Pizza – College Station, TX*
Cashier - delivered efficient cashier service while collaborating closely with kitchen staff and management to streamline operations and improve workflow. Provided consistent, high-quality customer service with a positive attitude, and proactively resolved customer inquiries and complaints.

04/16-08/19 *Master Lee's World Champion Taekwondo – Katy, TX*
Junior Instructor – mentoring and supervising fellow junior instructors in professional conduct while modeling best practices.

EDUCATION: **Texas A&M University** College Station, TX
Bachelor of Arts and Sciences Expected Graduation: Fall 2026
Geographic Information Science & Technology
Relevant Coursework: Cartography and Visualization, Planet Earth, GNSS

SKILLS: *Computer Skills:* Python, ArcPro, Vensim PLE, R, AutoCad, Inventor 3D, Microsoft Office, ArcOnline (AGOL)
Soft Skills: Communication, Time Management & Conflict Resolution

ACTIVITIES: *Geography Society* College Station, TX
As a member of the Geography Society, I consistently attended and actively participated in weekly meetings to remain informed about upcoming events and initiatives.

VOLUNTEER: *Tx GIS Day* College Station, TX
Engaged with GIS/GIST students and built connections with GIS employers through effective communication and networking.

Earth Day College Station, TX
Educated students and adults on environmental topics and promoted departmental programs supporting Earth Day initiatives.

Non-Profit Houston, TX
Volunteered at the temple, assisting a non-profit organization with food

preparation and sales for special events.
